WITNESSETH:

In consideration of the mutual covenants herein contained, and based on Tenant's representations, if any, (which are made to Landlord) set forth in Tenant's Rental Application(s) to Landlord, which by this reference are incorporated herein as if set forth at length, and for other good and valuable consideration, the receipt, mutuality and sufficiency of which are hereby acknowledged, Landlord and Tenant agrees as follows:

1. **Lease Of Premises.** Landlord hereby demises and leases to Tenant, and Tenant hereby leases and accepts from Landlord, for the Rent as provided for herein, those premises ("Premises") described as _____, Lexington, Kentucky 4050_____.

2. **Lease Term.** The term of this lease ('Lease Term) shall commence at 12:01 am on the ___ of _____, 20__ ("Commencement Date") and shall end at 11:59 pm on the ___ day of _____, 20__ ("Termination Date").

3. **Rent.** During the Lease Term, Tenants, jointly and severally, shall pay a total rent to Landlord in the amount of \$_____. Said total rent shall be paid by Tenant to Landlord in equal monthly installments of \$_____ ("Rent") to Landlord, at Landlord's address set forth above, in advance and shall be received in hand or postmarked on or before the first (1st) day of each calendar month during the Lease Term and without demand, delay or offset for any reason and without a grace period. If the Rent is not received in hand or postmarked on or before the 1st day of each month, the Tenant is in default of this said lease. Time is of the essence for each and every monthly Rent payment and for all other monies due and owing under this Lease, including security deposit, damages, invoices or other costs or expenses chargeable by law by Landlord to Tenant.

Provided however, Rent for the first month of the Lease Term shall be prorated if the Commencement Date is not the first day of a calendar month, and shall be payable at the time of signing this Lease, and provided however, Rent for the last month of the Lease Term shall be prorated if the termination Date is not the last day of a calendar month, and shall payable on the on or before the first (1st) day of the last month of the Lease Term and without demand, delay or offset for any reason and without a grace period.

Tenant initials _____

Tenants, shall jointly and severally, immediately pay to Landlord a late fee of Fifty Dollars (\$50.00) for any monthly payment of Rent not received in hand by Landlord on or before the first (1st) day of each calendar month, and an ongoing \$5.00 per day late fee after the 5th day that Rent has not been received in hand by Landlord. It is Tenant's responsibility to ensure that Landlord receives said Rent.

Tenants jointly and severally shall pay to Landlord a fee of Fifty Dollars (\$50.00), or any amounts charged by Landlord's bank if greater than \$50.00, for each check of Tenants jointly or severally returned by a banking institution for insufficient funds or for any other reason. If Landlord receives a returned check issued jointly or severally by Tenants from a banking institution, Landlord may require that Tenants make all future payments to Landlord in the form of cash, money order, or cashiers check only. Base Rent and Pet Rent, if any, are collectively referred to herein as "Rent".

Landlord will first deduct all fees, damages, costs and charges, including late fees, NSF fees, and other damages and costs set forth herein, from all amounts received from Tenant on a monthly basis before applying said amounts to the Rent due.

Tenant may elect to receive a discount of the last month's Rent, at Tenant's option, as provided in this Section. Tenant will receive a discount on their last month's rent in the amount of \$_____ provided that the discounted amount of their last month's Rent is paid and received by Landlord in full and in advance within 14 days of the first signature of any Resident on this Lease.

4. **Renewal.** This Lease Term shall automatically renew for another one-year Lease, except as otherwise agreed upon, in writing, by the parties, or as set forth herein:

- a) Landlord has no obligation whatsoever to renew the Lease for an additional one-year term. If Landlord decides to not extend or renew this Lease, Landlord shall give Tenant written notice of such decision at least thirty (30) days prior to the expiration of the Lease.
- b) If Tenant decides not to renew this Lease, Tenant shall give Landlord written notice of such decision which must either be received in hand by Landlord or postmarked at least sixty (60) days prior to the expiration of the Lease. Tenant acknowledges that giving Landlord sixty (60) days is critical to marketing the property and obtaining another tenant, and failure to do so will result in substantial damages to Landlord equaling at least the total rent due for an additional one year lease term.
- c) If neither Landlord nor Tenant gives written notice to one another, the Lease shall automatically renew for one (1) year at the Termination Date with all terms and conditions of this Lease, except for the Lease Term and Rent due, remaining in full force and effect for that renewal Lease Term. The total renewal rent due to Landlord shall increase to \$_____, and said total renewal rent shall be paid by Tenant to Landlord in equal monthly installments of \$_____;

Landlord provides Tenant with a written waiver keeping Rent unchanged from the initial Lease Term.

5. **Security Deposit.** Tenant has paid to Landlord a deposit in the amount of \$ _____, as security for the protection of the Premises from any damages other than normal wear and tear, to be deposited into an account at Bank of Lexington, 761 Corporate Drive, Lexington, KY 40503 in account #200-2922, and as security for Tenant’s other obligations under this Lease (“Security Deposit”). Tenant shall be responsible to Landlord for a turnover/minimum cleaning fee of \$150.00 in all cases, that shall be payable out of the Security Deposit. If the Premises are *not* left in the same or substantially the same condition as reflected in the move-in inspection form, Tenant shall be responsible to Landlord for all other charges set forth herein for administrative work, cleaning and other damages to the Premises at the end of the Lease Term, which shall be due and payable by Tenant to Landlord on the end of the Term and payable out of the remainder of the Security Deposit (less the \$150.00 fee provided for above).

Should Tenant be responsible for damage and/or loss of value to the Premises greater than the value of the remainder of the Security Deposit (less the \$150.00 fee provided for above, Tenant agrees to make payment to Landlord for such loss within fourteen (14) days after presentation of a bill by Landlord for the damage and/or loss. The Security Deposit, less the \$150.00 fee provided for above, less any charges if applicable as set forth above and herein, less rent or other late fees or other charges due and owing, and less any unpaid utilities, is to be refunded within thirty (30) days after Tenant vacates the Premises, provided no damage (except normal wear and tear, as may be charged as set forth herein) occurs, the Premises have been left in good condition, appearance and repair, and all of the terms of this Lease have been fulfilled.

Tenant shall not be entitled to any interest that may accrue on the Security Deposit. The Security Deposit shall bear no interest. Landlord shall be entitled to co-mingle the Security Deposit with Landlord’s other funds in said account above. In the event the Security Deposit is payable to more than one person or entity, Tenant agrees that a single check payable to all of them may be made by landlord, and that Tenant will handle the distribution of individual amounts therefore.

Any unpaid late fees, return-check charges, or other fees or charges accumulated over the period of this or any prior Lease on this property by this Tenant, at Landlord’s sole discretion, and without notice by Landlord and without Landlord waiving the right to collect such fees monthly or at the termination of the Lease, may be deducted by Landlord from the Security Deposit at the termination of the Lease instead being collected monthly from Tenant. Tenant authorizes the release of the Security Deposit to Landlord for satisfaction and payment of any and all expenses incurred by Landlord due to Tenant’s non-compliance with the terms and conditions of this Lease, as well as any late fees not paid in advance by Tenant.

Tenant initials _____

No portion of the deposit may be applied as Rent by Tenant for payment of any rent due to Landlord and that full monthly Rent shall be received in hand on or before the 1st day of every month including the last month of occupancy.

Tenant initials _____

Tenant shall submit to Landlord a forwarding address within seven (7) days after vacating the premises for the purpose of returning the deposit or for any other reason that might occur. At least seven (7) days prior to the Termination Date, Tenant shall schedule a move-out walk through with Landlord, which shall occur after Tenant has vacated the property. Failure to schedule such walk through or appear for the move-out walk through shall be deemed a waiver of Tenant's right to object to Landlord's assessment of damages or costs against Tenant and assessment of the security deposit against such damages or costs; and Tenant shall accept Landlord's decision of the deposit refund or forfeiture according to the provisions stated herein. Should Tenant be responsible for damage and or loss of value to the premises greater than the value of the deposit, Tenant agrees to make payment to Landlord for such loss within fourteen (14) days after presentation of a bill or said damage and/or loss.

6. **Condition Of Premises.** Tenant has thoroughly inspected and accept the Premises "AS-IS", acknowledge they are in good order, repair and in a safe, clean habitable condition, and acknowledge that Landlord has made no representations, promises or warranties (actual or implied) respecting the condition of the Premises. Prior to execution of this Lease, Tenant shall note in writing any defects or damage to the Premises on the "Move in/Move out" inspection form; otherwise, the Premises shall be deemed to be in clean and good condition, and the taking of possession of the Premises by Tenant shall be conclusive evidence as against Tenant that the Premises were delivered in good and satisfactory condition. Tenant agree to surrender to Landlord the Premises at the Termination Date of this Lease or at the end of any extension thereof, in "broom swept" clean and in the same condition as of the Commencement Date, reasonable wear and tear excepted. Reasonable wear means wear which occurs without negligence, carelessness, accident or abuse. Tenant shall make no alterations or modifications to the Premises contents without the prior written permission of Landlord.

Tenant and Landlord agree that the Premises are free from damages or defects of any kind, except as set forth below and initialed by Landlord and Tenant, or as otherwise agreed in writing in the "Move in/Move out" inspection form, which is attached hereto and incorporate herein as a part of this Lease. The failure to describe any such damage on said "Move in/Move out" inspection form shall constitute evidence that Tenant takes the property in good and satisfactory condition.

The Premises must be left in clean, all conditions described below are satisfied, and all the terms of the lease have been fulfilled.

Property is cleaned, paying particular attention to the stove, refrigerator, bathrooms, and walls. Property must be in equal or better condition than at the time of occupancy. Move-in inspection sheet will determine condition. All debris, rubbish, and discards are removed and placed in proper containers, and placed in Herbies or other receptacles appropriate for LFUCG Division of Waste Management pickup. No stickers, scratches, or holes in walls, ceilings, or floors. If carpets have stains or otherwise require cleaning, professional carpet cleaners must be used. Tenant must return all keys, garage door openers, and mailbox keys (if applicable) to Landlord. There is a \$50.00 charge per key or garage door opener that is not returned upon moving out.

If Tenant fails to perform as stated above, and Landlord is forced to clean and/or repair premises and/or to restore the premises to a rentable condition, then Landlord shall have the charge the following fees and amounts to clean, repair and/or restore the Premises, and to retain Tenant's deposit according to the Fees schedule set forth herein. Although landlord may assess these charges against the security deposit, nothing in this section shall prohibit landlord from fixing or otherwise repairing damage caused by Tenant and invoicing Tenant for said amounts, plus reasonable charges for Landlord's time and expense, on a monthly basis.

7. **Maintenance And Repairs.** Tenant agrees to maintain the Premises in reasonably good condition and to *immediately* notify Landlord should any minor, or other, repairs believed to be needed. Tenant shall be responsible for monitoring the working order of all smoke detectors and fire alarm systems in the Premises; and shall promptly advise Landlord in writing of any part if said system becomes inoperable. Tenant shall be responsible for regular replacement of the Premises' furnace and air conditioner filters. Major repairs necessary to the Premises shall be reported promptly by Tenant to Landlord in writing and shall be performed by Landlord within a reasonable time and during normal business hours. Tenant shall notify Landlord immediately of any emergency repairs necessary to the Premises. If in Landlord's judgment there is substantial damage to the Premises, Landlord may terminate this lease by giving written notice to Tenant and the Rent shall be prorated and the balance refunded to Tenant, less lawful deductions. Tenant shall pay Landlord for any property damage and/or cost of repairs to the Premises or appliances therein caused by the negligence or improper use by Tenant, Tenant's guests or other occupants. Without limitation, the disposal of women's feminine hygiene products in the waste/sewer system at the Premises shall be negligent/improper use of the Premises. Tenant shall be so as to maintain a good appearance and insure safety on the Premises, or to inform the Landlord if any safety problems arise that Tenant cannot quickly and reasonably remedy as Tenant. Tenant shall be responsible to reimburse and pay Landlord for the costs of any repair/service calls which are scheduled with Tenant and for which Tenant at the time of such repair/service call, and for forty-five (45) minutes thereafter are unavailable at the Premises for such repair/service call.

Without limiting the generality of the foregoing, Tenant shall:

Tenant shall in all cases perform routine maintenance of the Premises during the last 7 days of the Lease. Failure to comply will result in the maintenance services being performed by the Landlord and the costs of any such services being added to the rent due on the 1st of the following month or deducted from the Security Deposit at the sole option of Landlord.

11. **Assignment and Subletting.** Tenant shall not assign this Lease, or otherwise sub-let or grant any license to use the Premises or any part thereof without the prior written consent of Landlord. Consent by Landlord to one such assignment, sub-letting or license shall not be deemed to be a consent to any subsequent assignment, sub-letting or license. An assignment, sub-letting or license without the prior written consent of Landlord or an assignment or sub-letting by operation of law shall be absolutely null and void and shall, at Landlord's sole and exclusive option, terminate this Agreement.

Tenant's absence from the Premises for seven (7) consecutive days without written notice to the Landlord, or for five (5) consecutive days while any part of the rent is delinquent, shall be deemed abandonment of the property. If the property is found to be deserted or abandoned by the Tenant, the Landlord may enter the property by force without being liable for damages.

17. **Application.** The application of the Tenant is an important part of this lease and is part of consideration incorporated herein by reference. Any misrepresentations, misleading or false statements made by the Tenant which are later discovered by the Landlord, automatically grants the Landlord the right to terminate this lease at Landlord's option.

18. **Default By Landlord.** Upon the breach by Landlord of the terms and conditions of this Lease, Tenant may terminate this Lease, provided that (i) all Rent and other charges due and payable to Landlord have been paid by Tenant to Landlord; and (ii) Tenant shall make written request for performance or cure of any such obligation or default and allow Landlord a period of fourteen (14) days after receipt of such notice to commence to cure the breach. If performance or cure of the default has not been commenced or completed after such reasonable notice period, providing the nature of the default and the availability of materials, labor and utilities or other resources permit Landlord to commence cure of the default during such reasonable notice period, then Tenant may terminate this Lease by giving Landlord written notice of Tenant's election to do so, and Landlord shall thereupon refund Tenant's Security Deposit, less proper charges, together with any unearned portion of any Rent pre-paid by Tenant.

No failure of Landlord to enforce any term hereof shall be deemed a waiver, nor shall acceptance of partial payment be deemed a waiver of Landlord's right to the full amount thereof. This Lease superseded any other lease on the premises during the term stated herein.

19. **Default By Tenant.** If Tenant shall default in the prompt payment of Rent or any other sums due hereunder, abandon the Premises, or otherwise violate any of the terms of this Lease, Landlord may pursue any and all rights or remedies to which it may be entitled as a matter of law or in equity, including without limitation (i) the right to specific performance of

All rights and remedies of Landlord under this Lease and otherwise shall be cumulative and non-exclusive.

20. **Rules, Regulations and Policies.** The following rules, regulations and policies are in place for the Premises:
