

**LEASE AGREEMENT**  
with  
**MEDICAL VIEW PROPERTIES, LLC**

This Lease Agreement ("Lease") is made and entered this \_\_\_\_ day of \_\_\_\_\_ 20\_\_ by and between Medical View Properties, LLC, with an address of Medical View Properties, LLC, P.O. Box 481, London, KY 40743-0481 ("Landlord") and \_\_\_\_\_ (singularly or collectively referred to as "Tenant") jointly and severally.

**WITNESSETH:**

In consideration of the mutual covenants herein contained, and based on Tenant's representations, if any, (which are made to Landlord) set forth in Tenant's Rental Application to Landlord, which by this reference are incorporated herein as if set forth at length, and for other good and valuable consideration, the receipt, mutuality and sufficiency of which are hereby acknowledged, Landlord and Tenant agrees as follows:

1. **Lease of Premises.** Landlord hereby demises and leases to Tenant, and Tenant hereby leases and accepts from Landlord, for the Rent as provided for herein, those premises ("Premises") described as \_\_\_\_\_ Avenue, Apt #\_\_\_\_, Lexington, Kentucky 405\_\_.

2. **Lease Term.** The term of this lease ("Lease Term") shall commence at 12:01 am on the 1<sup>st</sup> day of August, 2017 ("Commencement Date") and shall end at 10:00 am on the 31<sup>st</sup> day of July, 2018 ("Termination Date").

3. **Rent.** During the Lease Term, Tenants, jointly and severally, shall pay a total rent to Landlord in the amount of \$\_\_\_\_ (less rent credits for paying online as described in this paragraph). Said total rent shall be paid by Tenant to Landlord in equal monthly installments of \$\_\_\_\_ ("Rent"), at Landlord's address set forth above, in advance and shall be received in hand or postmarked on or before the first (1st) day of each calendar month during the Lease Term and without demand, delay or offset for any reason and without a grace period. If Tenant elects to pay monthly rent installments via Landlord's "Pay Rent Online" section of the web site [www.bluegrassrentalproperties.com](http://www.bluegrassrentalproperties.com) (powered by PayLease.com), then Tenant shall receive a five dollar (\$5) discount, thus lowering the monthly rent installment to \$\_\_\_\_. If Rent is not paid online on or before the 1<sup>st</sup> day of each month OR received in hand or postmarked on or before the 1<sup>st</sup> day of each month, the Tenant is in default of this said lease. Time is of the essence for each and every monthly Rent payment and for all other monies due and owing under this Lease, including security deposit, damages, invoices or other costs or expenses chargeable by law by Landlord to Tenant.

Tenant shall submit all rental payments in full, In the event there is more than one Tenant, then Tenants (if paying online as described above) agree to designate one person who shall submit rent in full **or** (if paying via US mail) agree to make all separate payments at the same time in the same envelope. Landlord reserves the right to refuse individual or partial payments.

Tenant acknowledges that Rent amount for Premises specified herein may vary from similar

Tenant initials \_\_\_\_\_

Premises within the building and that such variation is due to either a discount granted to other Tenants for longevity of leasing with Landlord or water usage by double occupancy of any bedroom (Example: 2 tenants occupying a 1-bedroom apartment, 3-4 tenants occupying a 2-bedroom apartment, or 4-6 tenants occupying a 3-bedroom apartment)

Tenants, shall jointly and severally, immediately pay to Landlord a late fee of Fifty Dollars (\$50) for any monthly payment of Rent not received in hand by Landlord on or before the first (1st) day of each calendar month, and an ongoing \$5 per day late fee after the 5<sup>th</sup> day that Rent has not been received in hand by Landlord. It is Tenant's responsibility to ensure that Landlord receives said Rent.

Tenants jointly and severally shall pay to Landlord a fee of Fifty Dollars (\$50), or any amounts charged by Landlord's bank if greater than \$50, for each check of Tenants jointly or severally returned by a banking institution for insufficient funds or for any other reason. If Landlord receives a returned check issued jointly or severally by Tenants from a banking institution, Landlord may require that Tenants make all future payments to Landlord in the form money order or certified cashiers check only.

Landlord will first deduct all fees, damages, costs and charges, including late fees, NSF fees, and other damages and costs set forth herein, from all amounts received from Tenant on a monthly basis before applying said amounts to the Rent due.

4. **Renewal.** This Lease has no automatic renewal provision. Landlord has no obligation whatsoever to renew the Lease for an additional one-year term. If this Lease expires at the end of July and Tenant desires to renew Lease for an additional one-year term, then Tenant shall sign a new Lease or Lease Extension Agreement by March 15<sup>th</sup>. If Tenant fails to sign a new Lease or Lease Extension Agreement by March 15<sup>th</sup>, then Landlord shall assume that Tenant intends to vacate at the end of the Lease term and market the property to prospective renters.

5. **Good Faith Deposit.** Tenant shall pay to Landlord a good-faith deposit in the amount of \$\_\_\_\_. Parties agree that this entire lease agreement is null and void until (a) good-faith deposit is paid to Landlord and (b) a properly executed & notarized co-signer responsibility form is submitted. This good-faith deposit shall be retained by Landlord as damages if Tenant (a) fails to submit a properly executed & notarized co-signer responsibility form by an income-earning adult family member or friend within seven days of signing this lease agreement and (b) fails to follow through and lease the Premises according to the terms of this lease agreement.

After the 1<sup>st</sup> month's rent is paid, the good-faith deposit of \$\_\_\_\_ shall be apportioned in the following manner:

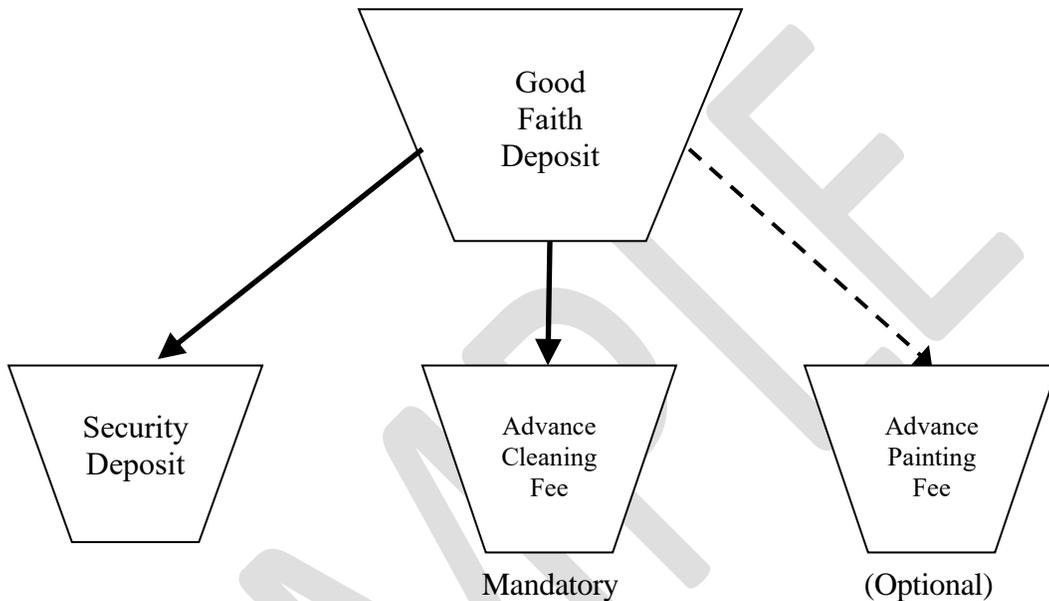

(a) \$\_\_\_\_ or \$\_\_\_\_ shall be applied / convert to Tenant's Security Deposit (*The greater amount is applicable when Option A in Paragraph seven (7) is selected, while the lesser amount is applicable when Option B in Paragraph seven (7) is selected*). Landlord shall hold security deposit as security for the protection of the Premises from any damages, to be deposited into an account at US Bank, 2020 Nicholasville Road, Lexington, KY 40503 in account #14580\_\_\_\_\_ and as security for Tenant's other obligations under this Lease ("Security Deposit"). Tenant shall not be entitled to any interest that may accrue on the Security Deposit. Landlord shall be entitled to co-mingle the Security Deposit with Landlord's other funds in said

Tenant initials \_\_\_\_\_

account above.

(b) \$150 shall be applied / convert to an Advance Cleaning Fee as thoroughly detailed in Paragraph six (6) below.

(c) \$195 shall be applied / convert to an Advance Painting Fee as thoroughly detailed in Paragraph seven (7) below **ONLY IF Tenant selects Option B in Paragraph seven (7) below**—this is completely optional / at the sole discretion of Tenant

(d) If the Premises is rented to more than one person, Tenants agree to work out the details concerning division of any refund among themselves. Landlord may pay the refund to any individual identified as “Tenant” on page 1 of this lease, and in doing so, satisfies its legal obligation for return of the deposit.

(e) Once Tenant notifies Landlord of intent to not renew lease agreement, Tenant agrees to show Premises to prospective renters for Landlord over the last 90 days of the lease agreement. Tenant gives Landlord authorization to share contact information (e-mail and/or phone number) to prospective renters for the purpose of arranging a time to show Premises. Over the last 90 days of lease agreement Tenant agrees to set aside 15 minutes one day / week show Premises to prospective renters.

**Tenant initials** \_\_\_\_\_

(f) **Any unpaid late fees, return-check charges, or other fees or charges** accumulated over the period of this or any prior Lease on this property by this Tenant, at Landlord’s sole discretion, and without notice by Landlord and without Landlord waiving the right to collect such fees monthly or at the termination of the Lease, may be deducted by Landlord from the Security Deposit at the termination of the Lease instead being collected monthly from Tenant. Tenant authorizes the release of the Security Deposit to Landlord for satisfaction and payment of any and all expenses incurred by Landlord due to Tenant’s non-compliance with the terms and conditions of this Lease, as well as any late fees not paid in

Tenant initials \_\_\_\_\_

advance by Tenant.

Tenant initials \_\_\_\_\_

(g) No portion of the deposit may be applied as Rent by Tenant for payment of any rent due to Landlord and the full monthly Rent shall be received in hand on or before the 1<sup>st</sup> day of every month including the last month of occupancy.

(h) At least seven (7) days prior to the Termination Date, Tenant shall schedule a move-out walk through with Landlord, which shall occur after Tenant has vacated the property. Failure to schedule such walk through or appear for the move-out walk through shall be deemed a waiver of Tenant's right to object to Landlord's assessment of damages or costs against Tenant and assessment of the security deposit against such damages or costs; and Tenant shall accept Landlord's decision of the deposit refund or forfeiture according to the provisions stated herein.

(i) If the Premises (excluding general maid-service type cleaning & professional carpet cleaning, which are exempt from this lease provision per Paragraph 6 below, AND excluding interior paint, which is exempt from this lease provision per Paragraph 7 below) are *not* left in the same or substantially the same condition as reflected in the move-in inspection form, Tenant shall be responsible to Landlord for all charges set forth herein for administrative work and other damages to the Premises at the end of the Lease Term, which shall be due and payable by Tenant to Landlord at the end of the Term and payable out of the remainder of the Security Deposit. If Tenant fails to perform as stated above, and Landlord is forced to repair premises and/or to restore the Premises to a rentable condition, then Landlord shall have the right to charge reasonable fees and amounts to repair and/or restore the Premises, and to retain Tenant's Security Deposit according to the fee schedules set forth herein. Although Landlord may assess these charges against the Security Deposit, nothing in this section shall prohibit landlord from fixing or otherwise repairing damage caused by Tenant and invoicing Tenant for said amounts, plus reasonable charges for Landlord's time and expense, on a monthly basis. Should Tenant be responsible for damage and or loss of value to the premises greater than the value of the Security Deposit, Tenant agrees to make payment to Landlord for such loss within fourteen (14) days after presentation of a bill or said damage and/or loss.

(j) Key return

- a. Immediately upon move out (defined as within 12 hours of departing Premises), Tenant must return all apartment keys **and** all mailbox keys to Landlord.
- b. There is a \$50 charge per apartment key that is not returned to Landlord within the 12-hour period specified above
- c. There is a \$50 charge per mailbox key that is not returned to Landlord within the 12-hour period specified above

Tenant initials \_\_\_\_\_

(k) Delayed move-out Tenant acknowledges that the nature of apartment turnovers relative to property in / around the campus of the University of Kentucky is extremely time sensitive in that incoming residents often have no choice but to move into Premises immediately

Tenant initials \_\_\_\_\_

at the start of their lease agreement. In light of such urgency, it is crucial that Tenant completely vacates from Premises at the expiration of the lease term—10:00 a.m. on the 31<sup>st</sup> day of July. Tenant acknowledges that a delayed departure from Premises causes great hardship on Landlord and limits the time Landlord has to clean & prepare the Premises for the incoming resident. If Tenant fails to completely depart from Premises by the expiration of the lease agreement, then Tenant agrees to the following fee schedule, which shall be assessed against / paid from the Security Deposit:

<b>Departure</b>	<b>Fee</b>
July 31 <sup>st</sup> 10:01 am→2:00 pm	\$50
July 31 <sup>st</sup> 2:01 pm→6:00 pm	\$100
July 31 <sup>st</sup> 6:01 pm→Aug 1 <sup>st</sup> 3:00 pm	\$250
August 1 <sup>st</sup> 3:01 pm→	\$350

Tenant initials \_\_\_\_\_

(l) Tenant shall submit to Landlord a forwarding address within seven (7) days after vacating the premises.

(m) The Security Deposit, less any charges if applicable as set forth above and herein, less rent or other late fees or other charges due and owing, and less any unpaid utilities, is to be refunded within thirty (30) days after Tenant vacates the Premises, provided no damage occurs, the Premises have been left in good condition, appearance and repair, and all of the terms of this Lease have been fulfilled. At Landlord’s sole discretion, the Security Deposit refund may be issued to Tenant via electronic transfer of funds to the same PayPal account that Tenant used to pay for / obtain the rental application in lieu of issuing the refund via standard U.S. mail delivery. Tenant agrees to the electronic disbursement method detailed in this paragraph.

6. **Advance-Cleaning Fee.** Tenant shall pay to Landlord an advance-cleaning fee of \$150, which shall represent a non-refundable charge for cleaning the Premises upon expiration of Lease. Tenant acknowledges and agrees that the advance-cleaning fee is *not* a security deposit. The cleaning fee is for normal maid service and normal professional carpet cleaning as well as for “little things” such as replacement of stove drip pans, replacement of dirty or broken window blinds, replacement of burned-out light bulbs, replacement of air filters, etc... Any additional services needed to clean / sanitize / deodorize the Premises further shall be taken out of the Security Deposit.

The purpose of the advance-cleaning fee is to free Tenant from the burden of having to clean Premises upon departure and to give Landlord the resources to professionally clean Premises to a uniform standard for incoming residents.

Landlord and Tenant recognize that the word “clean” is a concept often disputed at the end of a lease for the simple reason that everybody has their own definition of what constitutes a state of cleanliness. Simply put, what some folks view as clean, other folks view as filth. In order to avoid potential dispute between Landlord and Tenant regarding this matter and to facilitate a quick, worry-free departure, a departure whereby Tenant does not have to lift a finger to clean Premises (other than removing all debris / rubbish / trash from Premises and placing it the dumpster), Tenant agrees to pay to Landlord the advance-cleaning fee specified above.

Tenant initials \_\_\_\_\_

As noted in paragraph (k) of Section 5 above, Tenant acknowledges that apartment turnovers around the campus of the University of Kentucky frequently leave Landlord with extremely limited time to clean Premises. In light of such time restrictions, cleaning services will not be furnished to an exhaustive extent—in other words, a “fine-toothed-comb” will not be used with respect to wiping down baseboards, cleaning windows, etc...

7. **Advance-Painting Fee.** Tenant acknowledges that the Uniform Residential Landlord and Tenant Act (“Act”) (Fayette County Ordinance #98-84 / KRS 383), in its definition of *security deposit*, makes mention of “damage” and “ordinary wear and tear” but does not explicitly define either concept. Landlord and Tenant further acknowledge that the Act fails to even offer examples of what findings constitute “damage” and “ordinary wear and tear.” In light of such ambiguity / lack of clarity, Landlord and Tenant desire to avoid potential dispute at the end of the lease term, specifically with respect to the Premises’ interior paint, regarding what findings fall within the undefined concept of “ordinary wear and tear” and what findings cross the threshold beyond “ordinary wear and tear.” Thus, Landlord and Tenant agree in advance that, specifically with respect to the Premises’ interior paint, this lease shall have an optional non-refundable advance-painting fee provision rather than painstakingly trying to determine room by room and wall by wall what conditions constitute “ordinary wear and tear” at the end of the lease.

Tenant has the option of paying to Landlord a non-refundable advance-painting fee per the schedule as set forth herein. Tenant shall indicate the option desired by initialing either Option A or Option B below:

\_\_\_\_\_ **Option A.** Tenant declines to pay the advance-painting fee. Tenant agrees to take / accept Premises “as is” and Landlord shall have no obligation to paint Premises. At the expiration of the lease agreement or any extension thereof, Landlord shall not deduct any portion of Tenant’s security deposit for anything related to painting apartment (so long as Tenant has not acted without Landlord’s consent and painted walls with an unapproved color, in which case Landlord would be forced to restore Premises to its original color scheme).

\_\_\_\_\_ **Option B.** Tenant agrees to pay the advance-painting fee. Landlord shall have Premises painted prior to Tenant taking occupancy. Tenant acknowledges and agrees that the advance-painting fee is *not* a security deposit. At the expiration of the lease agreement or any extension thereof, Landlord shall not deduct any portion of Tenant’s security deposit for anything related to painting apartment (so long as Tenant has not acted without Landlord’s consent and painted walls with an unapproved color, in which case Landlord would be forced to restore Premises to its original color scheme).

Premises	Advance-Painting Fee
1-bedroom apartment	\$195
2-bedroom apartment	\$275
3-bedroom apartment	\$300
House	\$750

Tenant initials \_\_\_\_\_

8. **Condition of Premises—move in.** Tenant acknowledges that Landlord has made no representations, promises or warranties (actual or implied) respecting the condition of the Premises other than its interior paint as set forth in Paragraph 7. At the time of move-in, Tenant shall thoroughly inspect and note in writing any defects or damage to the Premises on the “Move in/Move out” inspection form; otherwise, the Premises shall be deemed to be in clean and good condition, and the taking of possession of the Premises by Tenant shall be conclusive evidence as against Tenant that the Premises were delivered in good order and in a satisfactory, clean, and habitable condition. Tenant agrees to surrender to Landlord the Premises at the Termination Date of this Lease or at the end of any extension thereof, in the same condition as of the Commencement Date, reasonable wear and tear excepted. Reasonable wear means wear which occurs without negligence, carelessness, accident or abuse. Tenant shall make no alterations or modifications to the Premises contents without the prior written permission of Landlord.

Tenant and Landlord agree that the Premises are free from damages or defects of any kind, except as set forth in writing by Landlord and Tenant in the “Move in/Move out” inspection form, which shall be (a) completed by Tenant and submitted to Landlord within seven (7) days of move in and (b) incorporated herein as a part of this Lease. The failure to describe any such damage on said “Move in/Move out” inspection form shall constitute evidence that Tenant takes the property in good and satisfactory condition.

Tenant acknowledges that the nature of apartment turnovers relative to property in / around the campus of the University of Kentucky is such that timing is frequently very tight / limited with outgoing residents often not able to depart until the last minute of their lease terms and incoming residents often needing to move in immediately at the start of their lease agreements. If Tenant’s time frame for moving into the Premises is such that possession of Premises is taken immediately at the Commencement Date of this lease and Landlord has not had time to sufficiently clean the Premises due to outgoing resident not departing the Premises until the last minute, then such an occurrence shall not exempt Tenant from the obligation of paying the advance cleaning fee per Paragraph 6 of this lease, nor shall such an occurrence entitle Tenant to a refund of the advance cleaning fee.

9. **Maintenance and Repairs.** Tenant agrees to maintain the Premises in reasonably good condition and to *immediately* notify Landlord should any minor or other repairs be needed. Tenant shall be responsible for monitoring the working order of all smoke detectors and fire alarm systems in the Premises; and shall promptly advise Landlord in writing of any part if said system becomes inoperable. Major repairs necessary to the Premises shall be reported promptly by Tenant to Landlord in writing and shall be performed by Landlord within a reasonable time. Tenant shall notify Landlord immediately of any emergency repairs necessary to the Premises. If in Landlord’s judgment there is substantial damage to the Premises, Landlord may terminate this lease by giving written notice to Tenant and the Rent shall be prorated and the balance refunded to Tenant, less lawful deductions. Tenant shall pay Landlord for any property damage and/or cost of repairs to the Premises or appliances therein caused by the negligence or improper use by Tenant, Tenant’s guests or other occupants. Without limitation, the disposal of women’s feminine hygiene products, coffee grounds, rice, cooking grease, or any other object that does not constitute normal material in the waste/sewer system at the Premises shall be negligent/improper use of the Premises. Tenant shall maintain Premises’ good appearance, insure safety on the Premises, and inform the Landlord if any safety problems arise that Tenant cannot quickly and reasonably remedy as Tenant. Tenant shall be responsible to reimburse and pay Landlord for the costs of any repair/service calls that are

Tenant initials \_\_\_\_\_

scheduled with Tenant and for which Tenant at the time of such repair/service call, and for forty-five (45) minutes thereafter are unavailable at the Premises for such repair/service call.

Without limiting the generality of the foregoing, Tenant shall:

- Be completely responsible for payment of all necessary treatments to eradicate bed bugs if found at the Premises and if their presence, as solely determined by a pest-control professional, was likely due to the action(s), intentional or unintentional, of the Tenant or any person associated with Tenant (family member, friend, etc...)

**Tenant initials** \_\_\_\_\_

- Be solely responsible for payment of all non-termite pest control services outside of the Premises' normal monthly pest-control sprayings if, as solely determined by a pest-control professional, that the probable cause for the presence of pests is Tenant's excessive dirtiness. Landlord shall have no obligation whatsoever to pay for non-termite pest control services at the Premises other than the regular pest-control sprayings.
- Keep all windows, glass, window coverings, doors, locks and hardware in good, clean order and repair;
- Not obstruct or cover the windows or doors;
- Not leave windows or doors in an open position during any inclement weather;
- Keep all lavatories, sinks, toilets, and all other water and plumbing apparatus in good order and repair and shall use same only for the purposes for which they were constructed. Tenant shall use mesh strainers in kitchen sink, bathroom sink(s), and bathtub(s) to prevent excessive hair build up in drain pipes. Tenant shall notify Landlord immediately about any drain pipe that is draining slowly or clogged. Tenant's failure to use mesh strainers and/or notify Landlord about a drain pipe not functioning properly shall constitute negligence / improper use of Premises. Tenant shall pay Landlord for any property damage and/or cost of repairs to the Premises or appliances therein caused by the negligence or improper use by Tenant, Tenant's guests or other occupants relative to plumbing. Tenant shall not allow any sweepings, rubbish, sand, rags, ashes or other substances to be thrown or deposited therein. Any damage to any such apparatus and the cost of clearing stopped plumbing resulting from misuse (example: not using mesh strainers) shall be borne by Tenant;
- Deposit all trash, garbage, rubbish or refuse in the locations provided therefore and shall not allow any trash, garbage, rubbish or refuse to be deposited or permitted to stand on the exterior of any building or within the common elements;
- Reimburse Landlord for any damages that are a result of Tenant's negligence, carelessness, fault, intentional act, or misconduct;
- Promptly file a police report if the Premises is damaged in any way by an unknown person. Failure to file a police report and provide a copy to Medical View Properties, LLC in a timely manner will result in the Tenant being charged for the damage to Premises
- Keep inside of the Premises at a temperature sufficiently high enough to prevent freezing of water in the pipes and fixtures inside the leased Premises

Tenant initials \_\_\_\_\_

- Not create or maintain or allow others to create or maintain any nuisances including but not limited to loud noises, sound effects, offensive odors, smoke or dust on or about the leased Premises, and that Tenant will commit no waste.

10. **Use and Occupancy of Premises.** The Premises shall be occupied and used solely as a private dwelling by Tenant, and for no other purpose. Tenant agrees to abide by all governmental laws, orders, and regulations and to avoid disruptive behavior or conduct. Tenant shall not permit any nuisance to be created on the Premises. Boats, trailers, and recreational vehicles are prohibited on the Premises. Tenant shall not post any advertisements or posters of any kind on the exterior of the Premises. Tenant shall avoid unnecessary noise or the use of any musical instrument, radios, televisions and amplifiers that may disturb residents of other properties surrounding the Premises. No inoperable, unlicensed or abandoned motor vehicle of any type shall be parked or stored upon the Premises, and the Premises shall not be used for the repair, overhaul, painting or work of a similar nature of any motor vehicle. The Premises shall not be used for any unlawful, immoral or improper purpose. No activity shall be done or maintained in or on the Premises which will increase the rate of insurance for the Premises, or which shall result in the cancellation of insurance thereon. Tenant shall obey and abide by all Landlord's Rules and Regulations, now or hereafter in effect (except as limited by applicable law) and all by-laws, ordinances and zoning and other governmental rules and regulations affecting the Premises. The Premises shall only be occupied by Tenant.

Each Tenant must complete a Rental Application and be approved by Landlord. There shall be no other person(s) residing in the Premises without the PRIOR written consent of the Landlord. It shall be presumed that any guests who occupy the Premises for more than seven (7) total days shall be considered as illegal resident(s) and this Lease will be declared in default. Tenant will be responsible for any and all fees associated with processing the application for approval and review by Landlord.

Tenant agrees not to permit roomers or lodgers to reside in the Premises. Guests are permitted, but Landlord reserves the right to request proof of domicile if it is suspected that a guest is an unauthorized resident of the Premises. Such suspicion may arise whenever an adult person is making recurring visits or one continuous visit for seven (7) days and/or nights within a 31-day period. Should the Tenant not provide the requested information needed to confirm other domicile for the guest, or should the facts be sufficient to evidence domicile in the unit, the Landlord may consider such person to be an unauthorized resident of the Premises, and may proceed to either (a) terminate the tenancy and recover possession of the Premises, with the Tenant to be responsible and liable for all resultant damage(s) caused by the Tenant's breach of Lease or (b) increase monthly rent for the Premises by two hundred fifty dollars (\$250.00) for each occupant of the Premises other than Tenants who executed this lease agreement residing at the Premises for any period in excess of seven (7) days or for lesser periods aggregating to fifteen (15) days during any calendar month of the lease term.

Landlord shall not be liable for any personal conflict of Tenant with co-tenant(s), Tenant's guest or invitees. Therefore, a conflict between Tenants does not constitute grounds for termination of the Lease.

11. **Utilities:** Tenant shall be responsible for payment all utilities (including without limitation water, LexServ sanitary sewer & water quality management fee, gas, electric, trash

Tenant initials \_\_\_\_\_

removal, internet, cable TV, and telephone) on the premises, **except for any of the following that are checked, which shall be the responsibility of Landlord:**

Water	<u>  X  </u>	<i>(except 127 Gazette, 171 Gazette, 135 Transcript, and 145 Transcript)</i>
LexServ sewer	<u>  X  </u>	<i>(except 127 Gazette, 171 Gazette, 135 Transcript, and 145 Transcript)</i>
LexServ WQMF	<u>  X  </u>	<i>(except 127 Gazette, 171 Gazette, 135 Transcript, and 145 Transcript)</i>
LexServ landfill	<u>  X  </u>	
Internet	<u>  X  </u>	<i>(except 805 Press and 330 Rose)</i>
Cable TV	<u>  X  </u>	<i>(except 805 Press and 330 Rose)</i>
Electric	_____	<i>(except 535 South Upper)</i>
Gas	_____	<i>(only applicable for 127 Gazette and Waller Ave / Royalty Ct)</i>

Landlord's provision of internet & cable TV is through Spectrum (formerly Time Warner Cable) only encompasses basic service. Tenant is responsible for contacting Spectrum to establish an account for the purpose of acquiring any necessary equipment to receive services. There should be no charge to Tenant's Spectrum account so long as only basic service (standard / starter TV service with a DTA mini box and standard high-speed internet service with a standard non-WIFI modem) is requested. Any extra "bells & whistles" (for example, a DVR, movie channels, WIFI internet) will result in a charge to Tenant's Spectrum account.

All utilities that are the responsibility of Tenant hereunder shall be transferred to the Tenant within three (3) working days of executing this Lease or before taking possession, whichever shall occur last. Failure to comply with this provision shall be a material breach of this Lease and entitled Landlord to immediately terminate this Lease, recover possession of premises, and to recover reimbursement for any utility expenses paid, the cost of which shall be borne by the Tenant. In the event Landlord pays such utility(ies) for one or more months, such payment shall not be considered a waiver of Landlord's rights under this section. If Tenant fails to transfer utility(ies) into Tenant's name within the time frame specified above, then there will be a \$50 penalty payable to Landlord in addition to reimbursing Landlord for utility expenses incurred from start of lease agreement.

Landlord shall not be liable for any claim of damages or charges of any kind whatsoever in the event of interruption of any utility (including without limitation, supply of water, heat, electric current, gas service, or refrigeration) caused by failure of power supply, nonpayment of resident, or any other cause. Any loss or reduction in services shall not terminate this lease or reduce the amount of rent due to Landlord, except as provided by law.

12. **Assignment and Subletting.** Tenant shall not assign this Lease, or otherwise sub-let or grant any license to use the Premises or any part thereof without the prior written consent of Landlord. Consent by Landlord to one such assignment, sub-letting or license shall not be deemed to be a consent to any subsequent assignment, sub-letting or license. An assignment, sub-letting or license without the prior written consent of Landlord or an assignment or sub-letting by operation of law shall be absolutely null and void and shall, at Landlord's sole and exclusive option, terminate this Agreement.

13. **Insurance.** Tenant shall be responsible for any insurance covering their personal property and shall provide a copy of any insurance policies to Landlord upon request. Tenant

Tenant initials \_\_\_\_\_

understands that Tenant is not insured under Landlord's insurance coverage and agrees that Landlord is not responsible for fire, theft, or damage to Tenant's personal effects, including vehicles on the premises. Landlord strongly recommends Tenant secure renter's insurance with carrier of Tenant's choice. Tenant has examined the premises to the extent necessary to ascertain its condition. The premises is leased in the condition found and Landlord shall not be liable to Tenant or anyone on the premises with consent or at the invitation of Tenant, for property damage or personal injuries caused by or arising out of the condition of the premises, it being understood that Tenant, and all others, take the premises as they found them.

Landlord shall not be liable for any personal injury to Tenant or damage or loss to Tenant's property, including but not limited to any injury, loss or damage caused by burglary, assault, vandalism, theft, or any other crimes. All personal property placed or kept in the Premises, or in any storage room or space, or anywhere on the adjacent property of the Landlord shall be at Tenant's sole risk and Landlord shall not be liable for any damages to, or loss of, such property. Tenant is required to purchase renter's insurance at his or her own expense to cover such potential losses.

14. **Liability and Indemnity.** Tenant hereby jointly and severally agrees to indemnify, compensate and forever hold Landlord harmless from any and all claims, damages or liability whatsoever, including without limitation litigation costs and attorneys' fees, resulting from or arising out of injury to or death of any guest, agent, employee, licensee or invitee of Tenant in or about the Premises, or damage or destruction of any property owned by Tenant or any guest, agent, employee, licensee or invitee of Tenant, unless such injury, death or damage solely and directly results from the intentional or grossly negligent acts of Landlord. Should Landlord become liable to Tenant as a result of any breach by Landlord of the terms of this Lease or as a result of any act or omission by Landlord or any person or entity acting on behalf of Landlord, Tenant shall look solely to the ownership interest of Landlord in the Premises for the recovery of any damages incurred by Tenant.

In no event shall Landlord be liable for damages or injury to persons or property caused by wind, rain, fire, or other acts of nature or God, and Tenant hereby expressly waives all claims for such injury, loss, or damage.

15. **Casualty.** If the Premises are damaged or destroyed by fire or other casualty to an extent that the use of the Premises is substantially impaired, Tenant may immediately vacate the Premises and may terminate the lease upon written notice to the Landlord given within fourteen (14) days of Tenant's vacation of the Premises. In the event the Premises are damaged by fire or other casualty or in the event the building of which the leased Premises are a part is damaged by fire or other casualty (whether or not the leased Premises are damaged) and Landlord elects to not restore, repair, and rebuild, Landlord may terminate this lease by giving written notice to Tenant, whereupon Tenant shall promptly vacate the Premises. Rent shall be paid through the date the Tenant vacates.

16. **Animals.** No animals shall be allowed, even temporarily, anywhere on the Premises without the express prior written permission of Landlord and without payment in advance of a non-refundable animal fee in the amount of \$250 per animal for a 1-bedroom apartment, \$350 for a 2-bedroom apartment, and \$450 for a 3-bedroom apartment. Feeding or harboring stray animals constitutes having an animal and is prohibited. Dogs are strictly forbidden at Medical

Tenant initials \_\_\_\_\_

View Properties. If an animal is or has been kept by Tenant without Landlord's permission on the Premises, at any time during the Lease, then immediate payment of the applicable animal fee as detailed in the schedule above shall be made by Tenant for defleaing and shampooing, and/or excessive wear and tear of, the Premises. In addition to all other remedies available to Landlord hereunder, at law or in equity, Tenant shall pay to Landlord as additional rent a charge of Ten Dollars (\$10) per day for violating the animal prohibitions of this Lease. Payment of the non-refundable animal fee and additional rent does not relieve the Tenant from responsibility for any damages done to the premises by animals. In the event a problem arises with fleas and pest control services are needed, Tenant shall bear complete responsibility for payment of such services in full.

17. **Portable space heaters.** Tenant acknowledges that use of a portable space heater is a serious fire hazard and agrees not to use any such device. Use of any portable space heater for any amount of time for any reason whatsoever is strictly prohibited on the Premises. If Premises' heating system malfunctions, it is the Tenant's responsibility to immediately notify Landlord of the situation so that the problem can be addressed.

18. **Inspection and Entry by Landlord.** Tenant acknowledges that Landlord shall have an absolute right to inspect the Premises for cleanliness or otherwise, to do all necessary or agreed repair, decorations, alterations or improvements, to supply necessary or agreed services, or to exhibit the Premises to prospective or actual purchasers, mortgagees, tenants, workmen or contractors, without liability, at any time after having given Tenant a two (2) day notice, verbal or written, of the intention to do so, without notice in the event of emergency, reasonable suspicion of illegal activity within the Premises, or if notice is not practical otherwise. Tenant acknowledges Landlord faces logistical challenges in managing property and serving the needs of Tenants given the fact Landlord does not maintain an office in Lexington—in light of such and notwithstanding the foregoing in this paragraph, Tenant agrees to allow Landlord to access Premises, without notice, immediately (defined as 50 square feet) beyond the front door of Premises for the purpose of delivering items to Tenant such as parking permits, boxed goods delivered by retailer (example: postal deliveries too large for mail box, shipments from Amazon, etc....)......THIS WILL BE STRICTLY ENFORCED.

19. **Abandonment and Absence.** Tenant must notify Landlord of any anticipated absence from the Premises that shall be in excess of seven (7) days. It is agreed that if the Leased Premises shall be abandoned or become vacant during the term of this lease, Owner/Landlord shall have the right, at its option, to take possession of the Leased Premises, and let or re-let the same, and apply the proceeds received from such letting toward the payment of the rent due under this lease; and such re-entry and re-letting shall not discharge Tenant from liability for rent, nor from any other obligations of Tenant under the terms hereof. Tenant shall be deemed to have abandoned the Leased Premises if Tenant is absent from the Leased Premises for five (5) days or more without payment. The Tenant's nonpayment of rent for five (5) days past the rental due date, together with other reasonable factual circumstances indicating the Tenant has permanently vacated the premises, including, but not limited to, the removal by the Tenant of substantially all of the Tenant's possessions and personal effects from the premises, or the Tenant's voluntary termination of utility service to the premises, or leaving door to Premises unlocked and keys inside shall also be prima facie evidence of abandonment.

Tenant initials \_\_\_\_\_

At the option of the Owner/Landlord and upon the default of the Tenant, the rent for the entire term shall at once become due and payable, and Owner/Landlord may proceed to the collection of rent for the entire term as if by the terms of this lease the rent for the entire term should be made payable in advance.

If Tenant shall at any time be in default hereunder, and if Owner/Landlord shall deem it necessary to engage attorneys to enforce Owner's/Landlord's right hereunder, Tenant shall reimburse Owner/Landlord for the reasonable expenses incurred thereby, including but not limited to court costs, collection costs, and reasonable attorney fees.

20. **Application.** The application of the Tenant is an important part of this lease and is part of consideration incorporated herein by reference. Any misrepresentations, misleading or false statements made by the Tenant which are later discovered by the Landlord, automatically grants the Landlord the right to terminate this lease at Landlord's option.

21. **Default By Landlord.** Upon the breach by Landlord of the terms and conditions of this Lease, Tenant may terminate this Lease, provided that (i) all Rent and other charges due and payable to Landlord have been paid by Tenant to Landlord; and (ii) Tenant shall make written request for performance or cure of any such obligation or default and allow Landlord a period of fourteen (14) days after receipt of such notice to commence to cure the breach. If performance or cure of the default has not been commenced or completed after such reasonable notice period, providing the nature of the default and the availability of materials, labor and utilities or other resources permit Landlord to commence cure of the default during such reasonable notice period, then Tenant may terminate this Lease by giving Landlord written notice of Tenant's election to do so, and Landlord shall thereupon refund Tenant's Security Deposit, less proper charges, together with any unearned portion of any Rent pre-paid by Tenant.

If owner is unable to deliver possession of the premises at the commencement of hereof, Landlord shall not be liable for any damage caused thereby, nor shall this Lease be void. Tenant shall not be liable for any rent until possession is delivered.

No failure of Landlord to enforce any term hereof shall be deemed a waiver, nor shall acceptance of partial payment be deemed a waiver of Landlord's right to the full amount thereof. This Lease superseded any other lease on the premises during the term stated herein.

22. **Default By Tenant.** If Tenant shall default in the prompt payment of Rent or any other sums due hereunder, abandon the Premises, or otherwise violate any of the terms of this Lease, Landlord may pursue any and all rights or remedies to which it may be entitled as a matter of law or in equity, including without limitation (i) the right to specific performance of Tenant's obligations under this Lease, and (ii) the greater of the amount equivalent to (A) the accelerated amount of all Rent for the unexpired portion of the Lease Term, or (B) two times the amount of the monthly Rent provided for in paragraph 3 hereof as liquidated damages to compensate Landlord for its costs incurred in repainting and preparing the Premises for reletting and costs and time incurred in reletting the Premises (in this regard the Tenant and Landlord agree that it would be difficult at this time to precisely establish the damages sustained by Landlord by reason of Tenant's default and that such amount is a fair and reasonable amount of the damages Landlord will have sustained by reason of Tenant's default hereunder). All rights

and remedies of Landlord under this Lease and otherwise shall be cumulative and non-exclusive.

23. **Required Standard of Conduct on Premises.** Tenant acknowledges that Tenant is entering into a lease for a property that focuses on its study environment. Tenant agrees to respect that image and adhere to such a standard at all times. Tenant shall conduct himself or herself and require other persons on the premises, including family, friends, invitees to conduct themselves in a manner that will not disturb the peaceful enjoyment of the Premises by his or her neighbors. Tenant agrees he or she will not permit said Premises to be used for any improper, illegal or immoral purposes, nor will he or she permit or engage in any conduct which is noisy, boisterous, dangerous, offensive, illegal, or otherwise improper. Tenant shall also maintain the Premises in a clean and sanitary condition at all times. Tenant shall not make or permit any offensive odors or otherwise disturb other residents.

Tenant acknowledges that Premises are subject to the Public Nuisances article within the Housing chapter of the Lexington Fayette Urban County Government (LFUCG) Code of Ordinances—specifically Article II of the Chapter 12. If the actions of Tenant (or any of Tenant’s family members, guests, visitors, etc...) result in the designation of the Premises as a public nuisance, then Tenant acknowledges that Landlord could be assessed a civil penalty of not less than \$500. If the aforementioned occurs, then Landlord has the right to terminate this Lease without further obligation, cause, or warranty and demand reimbursement from Tenant for all penalties, fines, attorney fees, court fees, etc... related to such occurrence.

24. **Rules, Regulations and Policies.** Tenant and Tenant’s family members, guests, employees and agents are subject to the Rules and Regulations included in this Lease, and such other and further reasonable rules and regulations as Landlord may adopt from time to time. Tenant is responsible in all aspects for the actions of any of the above people. The Rules and Regulations are hereby made a part of this Lease and incorporated into it as terms hereof and any violation of these Rules and Regulations by Tenant and/or Tenant’s family members, guests, employees, and agents shall constitute a substantial and material violation of this Lease by Tenant thereby affording Landlord the remedies at Landlord’s option set hereinabove. The following rules, regulations and policies are in place for the Premises:

24. a. No personal belongings of any type are to be left on the lawns, walks, parking areas, stairs, landings, patios, public halls, or in any common area(s). 24.e. Tenant must keep designated utilities turned on for the duration of the Lease term in order to maintain appliances in operating order and to provide a minimum temperature of 60 degrees in cold months. From the date utilities are turned off by cancellation or otherwise, it is presumed that the Tenant has abandoned the Premises and the Landlord may enter the Premises and take possession. Any damages from the utilities being turned off until Landlord gains possession shall be Tenant's responsibility. If disconnected utilities are turned over to the account of the Landlord, the Landlord has the right to bill an equal share of such charges, plus reasonable management overhead to Tenant.

24. f. If Tenant is convicted of a criminal offense including, but not limited to, injury or attempted injury to person or damage to property, the Tenant is subject to the termination of tenancy.
